E-Commerce Executive & PPC Specialist — Multi-Brand Retail, Marketplaces & Paid Media

Dubai, UAE 052 196 4147 kumailsbizz@gmail.com linkedin.com/in/kumail-raza92

E-commerce and performance marketing professional with 4+ years running multi-brand online retail across the UAE and KSA. Owns a portfolio of 51+ brands and 10,000+ SKUs end-to-end — catalog and pricing strategy, marketplace expansion on Amazon, Noon, Trendyol, and Carrefour, and promotional calendars — while personally planning and optimizing the paid media that drives it, across Google Ads, Meta, and TikTok. The combination is the point: the same person sets the merchandising strategy, builds the campaigns behind it, ships the Shopify front end, and reads the analytics that decide what happens next.
